

## Special FOGA Rules of Golf:

1. 60 yrs of age and above hits from senior tees; below 60 hits from next tee back.
2. 75 yrs of age and above gets one stroke off every other hole (such senior golfer must announce whether they will take their strokes off the odd holes, or the even holes, before the round begins).
3. Max score on any hole is double par.
4. Always play "lift, clean, and place through the green" (move ball up to one club length, no closer to the hole, anywhere but on the green, including in the rough); because we play "public" courses that are often less than perfect.
5. For pace of play: out of bounds and lost balls always play like a lateral water hazard (like red stakes: one stroke penalty & drop ball 2 club lengths from where ball entered hazard, approximately where the ball was lost (was last seen), or where the ball went out of bounds).
6. For pace of play: max 3 min looking for lost ball.
7. Puts closer than 18" are gimmies and count as only 1 stroke (even if you take the put and miss). An official 18" string will be handed out to each group before play begins, and will be the only measurement device used to determine whether the put is a gimmie.
8. No chipping from the green: if the golfer feels that a ball lying on the green requires a chip to be holed, the ball shall be moved on the green (no closer to the hole) until a putter can be used to hole the ball.

### Games to be played, if there is interest and time:

**Game A:** \$1 per hole skins, no carryovers, 1 mulligan per 9, per golfer.

**Game B:** Two-man teams, everyone plays their own ball for the full round, lowest total team score for 18 holes wins, top 3 teams win (50%, 30%, 20%), \$5/per golfer, 1 mulligan per 9, per golfer.

**Game C:** Modified Stableford scoring: eagle: 11 pts, birdie: 7 pts, par: 4 pts, bogie 2 pts, double bogie 1 pt, highest individual score for 18 holes wins, no handicap, top 4 win (50%, 30%, 15%, 5%), \$5/per golfer, 1 mulligan per 9, per golfer.

**Game D:** Lowest individual score for 18 holes wins, no handicap, top 4 win (50%, 30%, 15%, 5%), \$5/per golfer, 1 mulligan per 9, per golfer.

**Game F:** 2, 3, or 4-man best ball, no mulligans, don't have to use everyone's drive, \$5/per golfer, one winning team.

**Game G:** Closest to the hole is \$1/golfer, winner take all (if we can have 2 in a round, it will be just \$0.50 per golfer)
